

25X1

Attached are comments on R 50-200, from JGC, Logistics, and Management. Management is, of course, not a coordinator on this, but ~~these~~ their comments may be of interest.

This was distributed to DD/A, DD/I (Info), DD/P, COMMO, Personnel, Training, IG Logistics, Medical Staff, Security, and Cable Secretary. DD/P and Security are still out.
